# AS 22 SHARK

**AS 22 "Shark"**  
(Sports Fishing Boat)

**Since 1979**

 **AS Marine**

## **History**

Since 1979, AS Marine, owned and managed by the Al Shaali Group, has focused on quality, comfort, performance and style throughout its yachts' line-ups. A dedicated team of specialists do their level best to satisfy yachtsmen every day, combining technology and premium materials with detailed finish to meet AS Marine's standards of excellence.

AS Marine is considered a pioneer in yacht manufacturing in the Middle East with fiberglass boats. The company paved the way for marine business to flourish and evolve, opening doors to trade business while contributing to the local economy.

## NEUTRAL

If you like discretion and elegance, keep neutral colors for the hull of your boat. It doesn't prevent it from standing out above the waterline, and those shades remain extremely easy to maintain.

SNOW WHITE

OYSTER WHITE

## CONTEMPORARY

For a more modern and bold design merging paint technology and trends, we propose five eye-catching – yet subtle – liveries based on our stunning and remarkable color palette.

JET BLACK

VIVID RED

ROYAL BLUE

FLAG BLUE

KINGFISHER

## SPECIAL

Our 'Special' range offers a more intense and striking gamut of colors for creative-minded yachtsmen, and *Customization* finds all its meaning through our production know-how and technical excellence.

ULTRAMARINE  
BLACK

AMBER BRONZE

PORTOFINO  
BLUE

MONACO  
YELLOW

METALLIC  
SILVER

PEARL WHITE

## CUSTOM

Be maverick, let your imagination flow... Our team of designers will make your vision come true. Be guided throughout the personalization process, and let them bring to life the style that matches the real 'You'.

## About Al Shaali Marine

Established in 1979 by Abdullah Al Shaali, AS Marine has inherited the proud boat building tradition that has earned the legendary Arabian seafarer and his crafts a proud place in world maritime history. Translated into modern design and technology, this tradition remains the foundation and mission of the AS Marine boats' building process. From the factory complex in the United Arab Emirates, a wide product range of luxury flybridge yachts are manufactured for domestic and worldwide markets.

AS Marine has received numerous awards from leading international bodies and won many of the industries famous quality certificates. AS Marine shows a combination of talent where design pleases, performance excites, and seagoing dependability means the safety and comfort of the owner and guest. Our signature is beauty and pride, and our clients receive nothing less. Look no further, you can truly have it all! AS Marine is making smart boating decisions easy.
