History

Since 1979, AS Marine, owned and managed by the Al Shaali Group, has focused on quality, comfort, performance and style throughout its yachts' line-ups. A dedicated team of specialists do their level best to satisfy yachtsmen every day, combining technology and premium materials with detailed finish to meet AS Marine's standards of excellence.

AS Marine is considered a pioneer in yacht manufacturing in the Middle East with fiberglass boats. The company paved the way for marine business to flourish and evolve, opening doors to trade business while contributing to the local economy.

Yachting Reinvented

With this catalogue, we invite you to discover the brand-new AS 77 luxury Yacht, a broad range of yachts in AS Marine's ever-growing number of crafts, making a difference in the

industry. This difference is the result of strict requirements, fine-tuned designs, genuine craftsmanship and a company-wide dedication to deliver only the best products.

The AS 77 Luxury Yacht

At a glance, find yourself in a world of luxury with spacious interior, generous cockpit and hospitable flybridge.

The main deck boasts the salon and formal dining, set in an open plan surrounded by ample lounge seats bathed in sunlight, thanks to the broad side windows.

The flybridge creates a spacious gathering point, ideal for a sunset cruise or midday siesta. An abundance of space on all three decks. The clever seating arrangement on the flybridge allows for the placement of an optional hot tub, comfortable sunbeds, second steering station and a bar for the guests to enjoy.

Below, all four guest quarters providing extra

comfort and privacy. The AS 77 allows in an impressive amount of natural light in any of the cabins. The spacious owner's cabin is fitted with a double bed and offers both an ensuite bathroom and a walk-in wardrobe. The spacious forward VIP cabin holds a variety of closets and storage spaces while both guest cabins, which are located at the sides of the yacht, have twin berths for a total of eight on the lower deck.

The captain will surely make use of the integrated monitoring system, which keeps track of all the important data, while the crew will appreciate their quarters with two beds, a galley and a separate bathroom.

The powerful, hydraulic stern platform comes standard and will handle any watercraft.

Hop aboard and dash into the blue!

About Al Shaali Marine

Established in 1979 by Abdullah Al Shaali, AS Marine has inherited the proud boat building tradition that has earned the legendary Arabian seafarer and his crafts a proud place in world maritime history. Translated into modern design and technology, this tradition remains the foundation and mission of the AS Marine boats' building process. From the factory complex in the United Arab Emirates, a wide product range of luxury flybridge yachts are manufactured for domestic and worldwide markets.

AS Marine has received numerous awards from leading international bodies and won many of the industries famous quality certificates. AS Marine shows a combination of talent where design pleases, performance excites, and seagoing dependability means the safety and comfort of the owner and guest. Our signature is beauty and pride, and our clients receive nothing less. Look no further, you can truly have it all! AS Marine is making smart boating decisions easy.
